## Select Drawing Sheet How to Select Drawing Sheet

**Step 1:**  
Click on "Sheet" to select which Drawing Sheet is to be visible

The screenshot shows the Pinbloop web application interface for a project named "North Parkway Plaza". The interface includes a header with the project name, a "Sheet:" dropdown menu currently set to "A1.01 - First Floor", and a user profile for "John Doe". A yellow arrow points to the "Sheet:" dropdown. Below the header is a table with columns for "Pins", "Space", "Description", "Status", "Role", and "Respons". The table contains 21 rows of data, all with "Hall 101" in the "Space" column and various tasks in the "Description" column. A drawing of the first floor plan is visible in the background, with several colored callouts (red, blue, yellow) pointing to specific areas. A dropdown menu is open, showing the following options: "A1.01 - First Floor", "A1.02 - Second Floor", "A1.03 - Third Floor", and "A5.01 - Roof Plan". The "A1.02 - Second Floor" option is highlighted in blue. The bottom of the screenshot shows a Windows taskbar with the search bar and system tray.
